

# 4240

## 10 INCH JOINTER

A TRADITION OF INNOVATION™

### FEATURING

- 45" fence
- Precision ground table for perfect jointing
- Super long 84" bed
- Solid cast iron base for vibration-free operation
- Powerful Baldor™ 3HP 1Ph or 5HP 3Ph motor for easy cutting
- Extra wide base for stability

**The Oliver 4240 10" Jointer** is making waves. Why? Because it's heavier, quieter, more precise, more powerful, and has a very competitive price. With a super long 84" table and an ample 45" fence, your stock comes out straight and true every time. A Baldor™ 5 or 3 horsepower motor provides plenty of power for your toughest stock and most rigorous feeding. The solid cast iron

base puts it in the heavyweight category and eliminates unwanted vibration. Top it all off with the optional helical cutterhead, giving you less tear out along with quick-change blades and you've got a winner by anybody's standards. Flip this sheet over for more information and ask your Oliver dealer about a 4240 today!
